2020-2021

About this Report

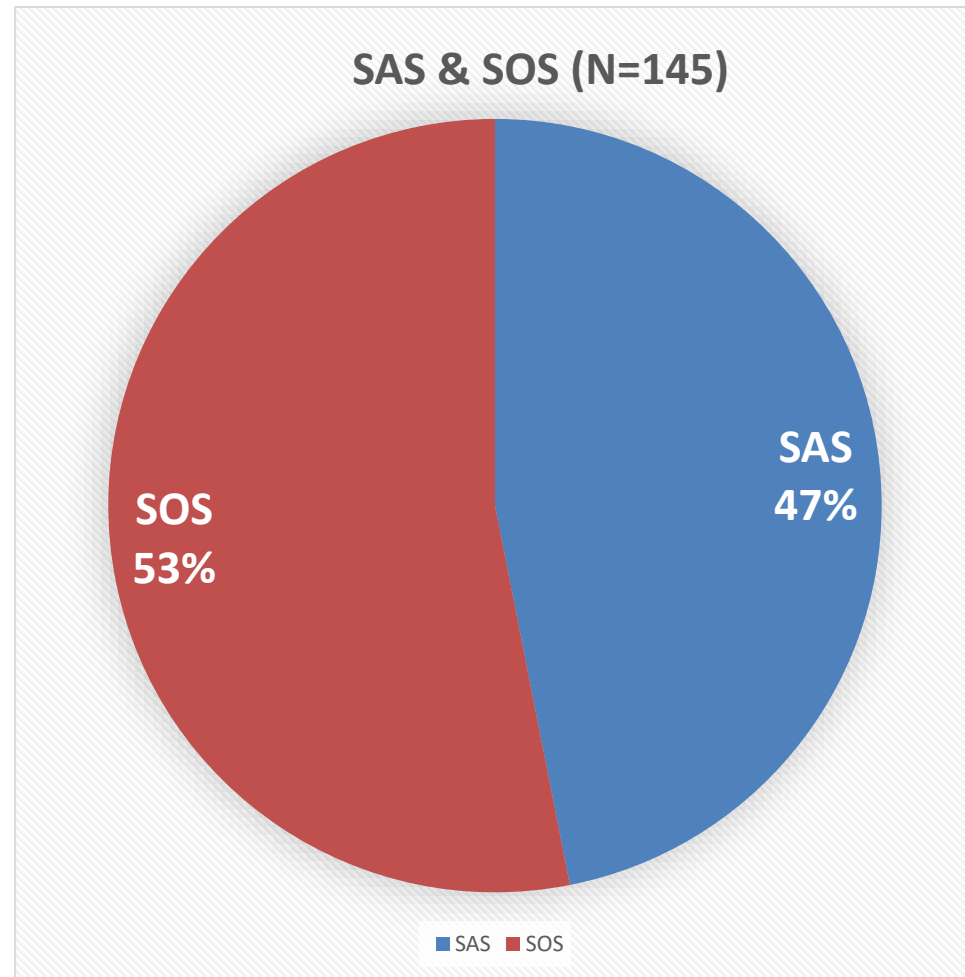

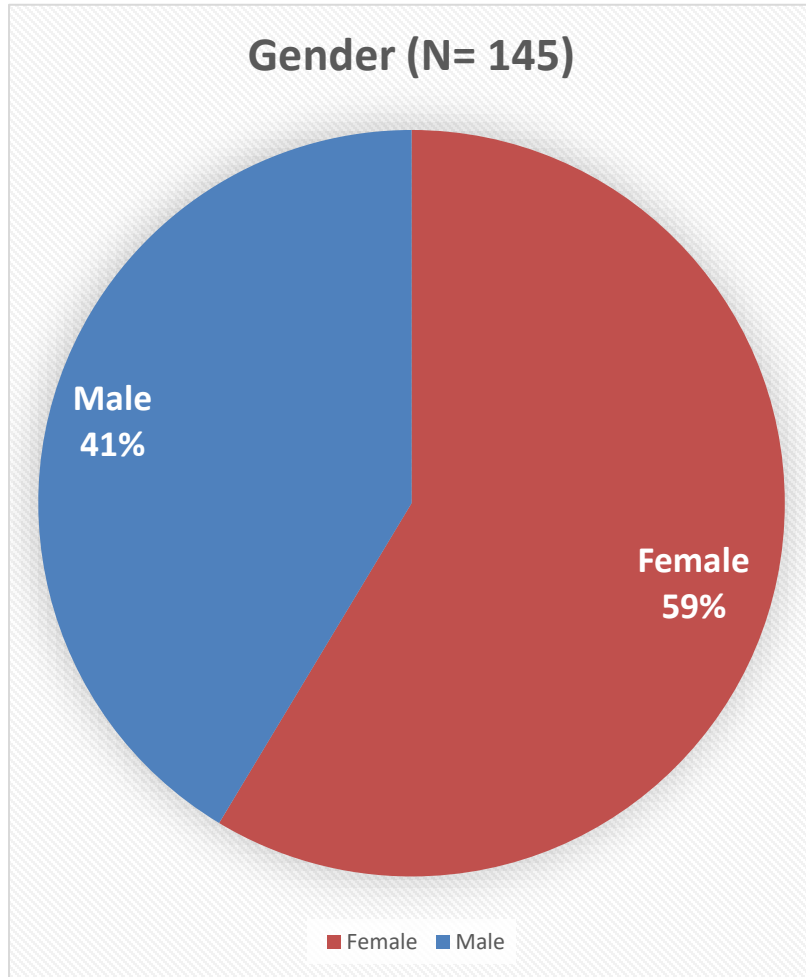

Data for this report was obtained through an on-line survey conducted November 3 – November 23, 2021. Please note that all data is self-reported by Crown College alumni who graduated between July 1, 2020 - June 30, 2021. Graduates from both the School of Arts and Sciences (SAS/On-Campus) and School of Online Studies (SOS/Online), for both undergraduate and graduate degrees, were surveyed.

We were able to connect with 351 out of 362 total graduates and 148 responded which equals a 42% response rate.

(Past response rate: 2021 = 42%, 2020 = 47%, 2019 = 33%, 2018 = 53% and 2017 = 51%).

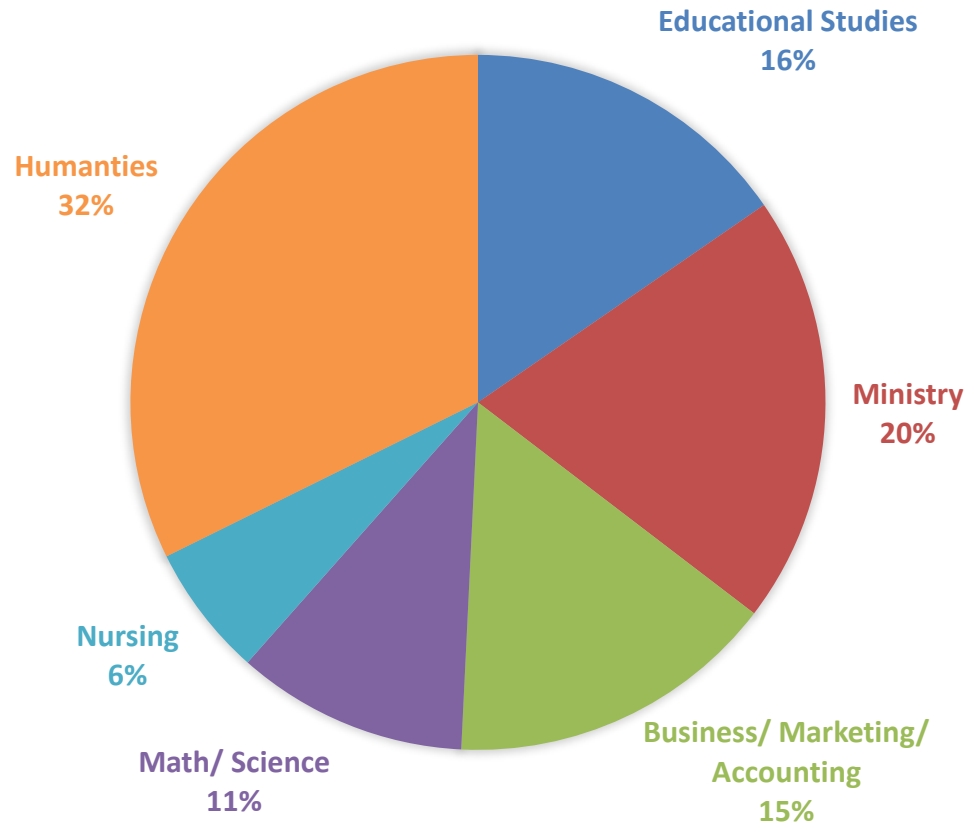

Please note: this report highlights employment data from Crown College alumni with undergraduate AND graduate degrees.

About the Counseling and Career Center (CCC)

The Counseling and Career Center (CCC) provides students with assistance and resources to help them as they prepare for their next step in following the Lord. The counseling is based on where the student is at the moment. There are resources for choosing a major and learning what you can do with it. There is counseling and guidance for writing resumes, cover letters, networking, job searching, interviewing, and attending graduate school.

Crown College Career Services staff are members of the following professional associations and adhere to their Principles for Professional Practice:
