

2023-2024 Verification Worksheet

Federal Student Aid Programs

In this process, your school will be comparing information from your application with copies of your (and your spouse's) 2021 signed federal tax return or tax transcripts and other financial documents.

Federal regulations require that tax information be obtained from the IRS either by choosing the IRS Data Retrieval Option on the FAFSA or by requesting a tax return transcript from the IRS and submitting it to our office or submitting a copy of your signed 2021 federal tax return.

What You Should Do:

- Collect your (and your spouse's) financial documents.
- Complete and sign this worksheet.
- Submit this completed worksheet, signed tax return or tax transcripts, and any other documents required by your school or by comment(s) on your Student Aid Report (SAR) to your financial aid administrator.
- Talk to your financial aid administrator if you have questions about completing this worksheet. If there are differences between your Student Aid Report (SAR) information and financial documents, your SAR may need to be corrected and reprocessed.
