

## ABOUT US

Crown is a fully accredited college that offers quality academics, convenient online options, and a boldy Christian environment.

## PSEO OPTIONS

Crown is excited to offer Post-Secondary Enrollment Options (PSEO) to qualified Good Shepherd Lutheran students. PSEO is a Minnesota program that allows 11th and 12th-grade students to enroll in free college courses that earn them credits simultaneously for both their high school diploma and college degree.

Students take classes in a hybrid format in which Crown's online instructor partners with a teacher from GSL. The courses have a low student to instructor ratio. All PSEO students are supported by a dedicated PSEO academic advisor.

## SCHOLARSHIPS

Scholarships are available to students who attended Crown as PSEO students and then enroll as full-time first-year students the following academic year. The maximum amount of this renewable scholarship is \$2,000 per year if attending on campus.

Students may also qualify for additional aid. Students must demonstrate financial need as determined by the FAFSA. Students enrolling in the School of Online Studies are eligible for a 25% off tuition scholarship.

## APPLICATION INFO

- Students must have a minimum 3.0 high school GPA
- No standardized tests are required for admission
- The tuition and books are FREE for Minnesota students
- Application Deadlines:
  - August 1st
  - December 1st

**To apply, students must complete and submit the following:**

- An online Crown application
- A MN Dept. of Education form
- An official high school transcript

## Scan to Apply

Continuing students do not need to re-apply

COLLEGE**

## Fall Semester 2025

Aug 27-Dec 19

**BUS 130 P4 Concepts of Personal Finance (3 Cr)**

A practical study of what Scripture says about financial stewardship, tithing, giving, investing, and the use of debt. Students will develop personal budgets and financial goals. Discussion will also include the use of various types of credit and insurance. This course cannot be taken in addition to FIN 210 - Personal Financial Planning. This course is equivalent to: FIN 210

**ENG 2510 P4 American Literature(3 Cr)**

An overview of non-dramatic literature of the United States, showing its development from colonial times to the present. Students also work individually and collaboratively to explore topics, works, and authors representing multi-cultural voices in the changing canon of American literature. This course is equivalent to: ENG 312

**LAN 255 P4 Spanish I(4 Cr)**

This course introduces the student to the sounds, basic vocabulary, and structures of the Spanish language through listening, speaking, reading and writing, and beginning awareness of the cultural context of the language. Communicative skills are reinforced through practice in integrated laboratory activities.

**MUS 235X P4 Music and the Arts (3 Cr)**

This course introduces the student to music and the arts in Western Civilization. Chronologically based, the course deals with stylistic features, philosophical thought, composers, and artists and their representative works. (Also FAR 235X)

**POL 2510 P2 American Government (3 Cr)**

This course examines the politics and processes of American government at the national, state and local level: the constitutional foundations of American government; national institutions, chiefly the presidency, Congress and Supreme Court; and the political forces that shape American government, including elections, parties and interest groups. This course is equivalent to: POL 232

**SCI 2451 P2 General Chemistry I (Part 1)(2 Cr)**

This course is the first of a two-part series that covers the first semester of college chemistry as defined by Crown College (SCI 245 - General Chemistry I). Students must take both parts to get credit for General Chemistry I. Topics include measurements, atomic structure, chemical reactions, stoichiometry, electronic structure, and periodicity of elements. College level laboratory work includes the use of spreadsheets, keeping a scientific notebook writing a formal laboratory report. Prerequisite: MAT 131 or MAT 243 or two years of high school Algebra (including Algebra II) or a math ACT score of at least 20 or a math SAT score of at least 480.

**SOC 230 P4 Sociology (3 Cr)**

This is a survey course of the basic concepts in the sociological study of society, culture, the self, social organizations, the range of associational life, and social process.

- Upon acceptance, you will receive a detailed email with instructions on how to activate your Crown account
- Log into [Our.Crown.Edu](https://our.crown.edu) using your Crown username & password
- If you have trouble logging in, your password may need to be updated. If so, please email me to request a Password Reset Link
- Click on the blue icon Register for Classes
- Scroll down to the Add/Drop box and select Add/Drop Courses
- In Term, change the dropdown to 2025/26 Arts & Sciences Fall
- Click on Complete the Registration Agreement – respond with a Yes or No, then Submit
- Click on Add by Course Code.
  - In the text boxes: Type the course codes for the classes you want to register for.
- Select Add Course(s).
- Select Request Advisor's Approval
- \*As your advisor, I will automatically approve your courses.

## Access Your Courses

### Canvas

- When classes begin, go to Canvas: [canvas.crown.edu](https://canvas.crown.edu)
- Click the "Login with Microsoft" link to login (no need to enter a username)
- You will see your courses on the dashboard.
- Open each course by clicking on the course tile.
- On the course homepage, under the main photo, click on the orange button that says "START HERE"
- Complete your Learning Contract
  - This will open the class for you.

## Spring Semester 2026

Jan 14-May 15

**COM 1515 P4 Public Communication (3 Cr)**

This course provides the student with an introduction to the theory of the communication process. Topics include analyzing a target audience, organizing material, preparing an effective method of delivery, and developing informative and persuasive speeches. Each student will deliver speeches that are videotaped and evaluated. This course is equivalent to: COM 133

**ENG 1512 P8 Introduction to Literary Analysis (3 Cr)**

Continued instruction and practice in writing and the writing process are the focal points of this course, with emphasis on critical analysis of literary genres. This course is equivalent to: ENG 132

**ENG 2341 P2 Creative Writing (3 Cr)**

In this course, students will explore different styles of writing and develop their own voices through reading assignments and writing exercises. Students will submit and revise works in multiple genres. This course may not be taken in addition to ENG 341 - Creative Writing Seminar. Prerequisite: ENG 131 or ENG 1510

**ENG 2510 P4 American Literature (3 Cr)**

An overview of non-dramatic literature of the United States, showing its development from colonial times to the present. Students also work individually and collaboratively to explore topics, works, and authors representing multi-cultural voices in the changing canon of American literature. This course is equivalent to: ENG 312

**FAR 1600 Digital Imaging (Online) (3 Cr)**

This course introduces students to basic concepts and techniques of digital imagery. Students will use the principles of design and visual rhetoric in critiquing selections of digital images. Students will create a project incorporating course topics into their individual artistic expressions. This course is equivalent to: FAR 150

**LAN 256 P2 Spanish II (4 Cr)**

This builds on the work of Spanish I as an introduction to the sounds, vocabulary, and structures of the Spanish language through listening, speaking, reading and writing as well as awareness of the cultural context of the language. Communicative skills are reinforced through practice in integrated laboratory activities. Prerequisite: LAN 255 or consent of the instructor

**MAT 130 P4 Mathematics Survey (3 Cr)**

A mathematics course designed for the liberal arts or general education purposes, including quantitative literacy and mathematical competency. The course consists of problem solving and mathematical modeling. Topics include set theory, operations, percent and decimals, linear equations and their applications, slopes, parallel and perpendicular lines, systems of equations, counting techniques, probability and descriptive statistics.

**Spring Semester 2026**

Jan 14-May 15

**PSY 130 P4 General Psychology (3 Cr)**

This course is designed to provide a broad overview of the field of psychology. Topics include research in psychology, the brain and nervous system, sensation and perception, memory, emotion, learning, psychological disorders and psychotherapy. This introductory course aims to help students think deliberately and skillfully about human behavior and mental processes.

**PSY 236 P4 Developmental Psychology (3 Cr)**

Human psychological development from birth to death is studied. Consideration is given to psychological, emotional, cognitive, social, moral, and spiritual development and experiences. Prerequisite: PSY 130

**SCI 2452 P1 General Chemistry I (Part 2) (2 Cr)**

This course is the second of a two-part series that covers the first semester of college biology as defined by Crown College (SCI 243 - General Biology I). Students must take both parts to get credit for General Biology I. Major topics include DNA, genomics, genetics, biotechnology and bioethics. This course may not be taken in addition to SCI 243 - General Biology I. Prerequisite: SCI 2431

**SOC 2530 P2 Intro to Human Geography (3 Cr)**

This course provides an introduction to physical and cultural geography by exploring pressing global issues related to spatial interconnections. Using the lens of geography, we will uncover how global interconnections and geographical interdependence shape the world as we know it. We will further understand how individual actions at the local scale have social, cultural, and religious environmental impacts around the world.
