

ABOUT US

Crown is a fully accredited college that offers quality academics, convenient online options, and a boldly Christian environment.

PSEO OPTIONS

Crown is excited to offer Post-Secondary Enrollment Options (PSEO) to qualified PATH students. PSEO is a Minnesota program that allows 11th and 12th-grade students to enroll in free college courses that earn them credits simultaneously for both their high school diploma and college degree.

Students take classes in a hybrid format in which Crown's online instructor partners with a Course Assistant from PATH. The courses have a low student to instructor ratio. All PSEO students are supported by a dedicated PSEO academic advisor.

SCHOLARSHIPS

A Crown PSEO Scholarship is available to students who attend Crown PSEO and then enroll as full-time first-year students the following academic year. The maximum amount of this scholarship is \$500 per year if attending on campus.

A Crown Christian High School Partner Grant of \$2,000 per year is available to students who enroll as full-time first-year students and who attended a partner Christian High School institution or a homeschool/PSEO Crown partner.

The Crown PSEO Scholarship and the Christian High School Partner Grant are renewable and stackable. Students must maintain Satisfactory Academic Progress to renew their scholarship.

Students may also qualify for additional aid. Students must demonstrate financial need as determined by the FAFSA.

Students enrolling in an online degree program are eligible for a 25% off tuition discount.

APPLICATION INFO

- Students must have a minimum 3.0 high school GPA
- No standardized tests are required for admission
- The tuition and books are FREE for Minnesota students
- Application Deadlines:
 - August 1st
 - December 1st

To apply, students must complete and submit the following:

- An online Crown application
- A MN Dept. of Education form
- An official high school transcript

COLLEGE**

Fall Semester 2025

Aug 27-Dec 19

ENG 2510 Survey of American Literature (3 Cr)

An overview of non-dramatic literature of the United States, showing its development from colonial times to the present. Students also work individually and collaboratively to explore topics, works, and authors representing multi-cultural voices in the changing canon of American literature.

IT 1060 Intro to Computer Applications (3 Cr)

A practical introduction to common computer software applications for workplace settings including programs for word processing, spreadsheets and presentation. Students learn through hands on activities and applied projects.

MAT 2232 Descriptive Statistics - Part 1 (2 Cr)

The basic concepts and techniques of descriptive statistics are introduced. Topics include frequency distribution, central tendency, probability, standardized distributions.

MUS 235X Music and the Arts (3 Cr)

This course introduces the student to music and the arts in Western Civilization. Chronologically based, the course deals with stylistic features, philosophical thought, composers, and artists and their representative works. (Also FAR 235X)

PHI 232 Introduction to Philosophy (3 Cr)

A systematic approach is used in the analysis of philosophical problems. The course will examine and evaluate alternative solutions to classic philosophical issues, including the existence of God, the problem of evil, and the nature of knowledge.

POL 2510 American Government (3 Cr)

This course examines the politics and processes of American government at the national, state and local level: the constitutional foundations of American government; national institutions, chiefly the presidency, Congress and Supreme Court; and the political forces that shape American government, including elections, parties and interest groups.
