

CROWN COLLEGE

One Hundred Seventh Annual
COMMENCEMENT

Saturday, May 17, 2025

Wooddale Church, 6630 Shady Oak Road, Eden Prairie, MN

**BOLDLY CHRISTIAN
ACADEMICALLY EXCELLENT
LIFELONG AUTHENTIC COMMUNITY**

“Now that I, your Lord and Teacher, have washed your feet, you also should wash one another’s feet. I have set you an example that you should do as I have done for you. Very truly I tell you, no servant is greater than his master, nor is a messenger greater than the one who sent him. Now that you know these things, you will be blessed if you do them.”

John 13:14-17

THE STORY OF CROWN COLLEGE

For over a century, Crown College has been preparing Christians to serve and influence the world. Founded in 1916 by Reverend J.D. Williams, the College began with four students who wanted to study the Bible. It quickly blossomed and grew into a training school, and eventually became known as St. Paul Bible Institute, establishing a solid reputation as a leader in the Bible college movement throughout the Midwest.

By 1924, enrollment grew to 152. Today, more than 1,800 students are enrolled through on-campus and online programs. In the late 1950s, the name was changed to St. Paul Bible College. Accreditation was granted to the college in 1975 by The Higher Learning Commission. The college resided in St. Paul for over 50 years. In 1970, as the school grew, it was relocated to its present campus just west of Minneapolis, near the communities of St. Bonifacius and Waconia. Nestled among the rolling hills in one of the most lake-dense regions of Minnesota, the beautiful campus offers an inviting environment for learning and growth.

In the following years, the college expanded the curriculum with many new majors and areas of study. The campus also grew with the addition of several housing facilities. In 1992, the name was changed to Crown College. That same year, Crown launched the EXCEL program with 53 adult students taking classes in management and ethics or Christian ministry. The program grew into what is now known as the School of Online and Graduate Studies with over 600 students enrolled.

Today, Crown remains an exceptional, private Christian college passionate about preparing Christians who serve Christ and influence the world. It is distinguished by its pledge to provide a biblically-based education both online and on campus, and to be the Midwest’s boldly Christian college. Crown’s commitment to providing an affordable private college education is evident being among the ten most affordable private Christian colleges in the Midwest. Nearly 40 percent of Crown students also participate in one or more of its 18 athletic teams that compete in the Upper Midwest Athletic Conference within NCAA DIII. Crown is also a proud member of the National Christian College Athletic Association (NCCAA).

Of the nearly 4,000 degree-granting institutions of higher education in the United States, Crown is one of 170 intentionally Christ-centered higher education institutions to be a member of the Council for Christian Colleges & Universities (CCCU). The school is also one of the three colleges affiliated with The Christian and Missionary Alliance church in the United States and is accredited by the Association of Theological Schools. Crown offers more than 40 accredited majors to undergraduates and graduate degree-seeking students. Crown’s online programs regularly receive national recognition as a Top Ten Online Christian College by TheBestColleges.com.

Rooted in The Christian and Missionary Alliance, Crown College equips students through a biblically-based, faith-integrated education to impact the world for Christ. As such, we exist to fulfill Jesus’ final request on earth, The Great Commission:

“All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”

Matthew 28:18-20

CROWN HIM WITH MANY CROWNS

by Matthew Bridges and George Elvey

Crown Him with many crowns, the Lamb upon His throne,
Hark! How the heavenly anthem drowns all music but its own.
Awake, my soul, and sing of Him who died for thee.
And hail Him as thy matchless King through all eternity.

Crown him the Lord of love; behold His hands and side,
Rich wounds, yet visible above in beauty glorified.
No angels in the sky can fully bear that sight.
But downward bends their burning eyes at mysteries so bright.

Crown Him the Lord of life, who triumphed o’er the grave,
And rose victorious in the strife for those He came to save;
His glories now we sing, who died and rose on high,
Who died eternal life to bring and lives that death may die.

Crown Him the Lord of years, the Potentate of time,
Creator of the rolling spheres, ineffably sublime.
All hail, Redeemer, hail! For Thou hast died for me.
Thy praise shall never, never fail throughout eternity.

ACADEMIC ATTIRE

The custom of wearing academic gowns and hoods dates from the twelfth century when a long gown and cowl (similar to the academic hood of today) were worn by clerics and scholars in unheated buildings. Today academic regalia signifies scholastic achievement.

Bachelors’ gowns are made with pointed sleeves; Masters’ gowns are made with long closed sleeves; Doctors’ gowns have velvet panels down the front and velvet bars on round and open sleeves.

The size and shape of the hood distinguishes the degree, a doctoral hood being the largest. The color used in the velvet border of the hood indicates the field. The colors in the lining of the hood indicate the college or university which confers the degree.

Members of the Board of Trustees wear doctoral gowns during their term of office along with the black mortarboard worn by all participants.

Crown College is proud to recognize its graduating veterans and military members with a red, white, and blue regalia cord. The cord colors replicate those of our nation’s flag to denote the valor, excellence, and sacrifice these individuals have exemplified in their service to the United States Armed Forces.
