

ABOUT US

Crown College is a fully accredited college that offers boldly Christian and quality academics, and convenient in-person or online options.

PSEO OPTIONS

Crown is excited to offer Post-Secondary Enrollment Options (PSEO) to qualified CREO students. PSEO is a Minnesota program that allows 11th and 12th-grade students to enroll in college courses that earn them credits simultaneously for both their high school diploma and college degree at no cost.

At Hand-in-Hand, students take classes in a hybrid format in which Crown's online instructors partner with teachers from Hand-in-Hand to provide an in-person educational experience. These courses have a low student-to-instructor ratio and high success rate.

SCHOLARSHIPS

Crown PSEO Scholarships are available to students who attend Crown PSEO and then enroll as full-time first-year students the following academic year. PSEO scholarship is \$1,000 per year, and students from HiH are eligible to receive a Crown Christian High School Partner Grant of \$2,000 per year. Contact Admissions for more information.

Fall Semester 2026

Aug 26-Dec 18

Course Title	Course Code
American Literature	ENG 2510
American Civ to 1877	HIS 231
College Algebra	MAT 131
Career Exploration	PSY 1010
Physics 1 (part 1)	SCI 2471

Spring Semester 2027

Jan 13-May 14

Course Title	Course Code
Public Communication	COM 1515
American Civ Since 1877	HIS 232
Precalculus	MAT 1410
Personal Finance	BUS 130
Physics 1 (part 2)	SCI 2472

APPLICATION INFO

- Minnesota students: The TUITION is FREE and BOOKS are PROVIDED by Crown
- No standardized tests are required for admission
- Minimum GPA: 3.0
- Application Deadlines:
 - August 10th for Fall Term
 - December 15th for Spring

To apply, students must submit the following

- Crown APPLICATION
- High school TRANSCRIPT
- MN Dept of Ed FORM Notice of Student Registration (MDE NoSR)
 - new form every term

Scan to Apply

Continuing students do not need to re-apply

Fall Semester 2026

Aug 26-Dec 18

ENG 2510 AMERICAN LITERATURE (3 Cr)

An overview of non-dramatic literature of the United States, showing its development from colonial times to the present. Students also work individually and collaboratively to explore topics, works, and authors representing multi-cultural voices in the changing canon of American literature.

HIS 231 AMERICAN CIVILIZATION TO 1877 (3 Cr)

This course surveys the major themes and most significant events and people of American history from European contact through the Reconstruction of the Union after the Civil War. Particular attention goes to cultural and ethnic diversity, religion, constitutional development, and political issues

MAT 131 COLLEGE ALGEBRA (3 Cr)

This course provides a short review of Algebra II, followed by a concise study of algebraic, polynomial, exponential and logarithmic functions and their graphs. Linear, quadratic and systems of equations are included, along with their applications. This course provides a foundation for students wishing to take calculus. Prerequisite: High School Algebra II.

SCI 2471 PHYSICS 1 (part 1) (2 Cr)

This course is the first of a two-part series that covers the first semester of college physics as defined by Crown College (SCI 247 Physics I). Students must take both parts to get credit for Physics I. This course is an introduction to the major concepts of physics. Major topics include dimensions, vectors and units, kinematics, Newton's laws of motion, friction, work and energy, impulse and momentum, and collisions.

Prerequisite: MAT 131 or MAT 243 or two years of high school Algebra (including Algebra II) or a math ACT score of at least 20 or a math SAT score of at least 480.

PSY 1010 CAREER EXPLORATION (1 Cr)

This course is designed to introduce students to the process of career exploration and planning. The first part of the course will focus on student characteristics. Students will take assessments and complete reflections to help them better understand their abilities, interests, values and personality traits and the ways that these might guide career planning. Next students will explore different pathways for pursuing careers that may be of interest to them.

Spring Semester 2027

Jan 13-May 14

COM 1515 INTRODUCTION TO PUBLIC COMMUNICATION (3 Cr)

This course provides the student with an introduction to the theory of the communication process. Topics include analyzing a target audience, organizing material, preparing an effective method of delivery, and developing informative and persuasive speeches. Each student will deliver speeches that are videotaped and evaluated.

HIS 232 AMERICAN CIVILIZATION SINCE 1877 (3 Cr)

This course surveys the major themes and most significant events and people of American history from the late nineteenth to the early twenty-first centuries. Particular attention goes to cultural and ethnic diversity, political issues, economic development, and the United States as a world power.

MAT 1410 PRE-CALCULUS (3 Cr)

This course covers concepts that are foundational for calculus. Topics include trigonometry, analytic geometry, probability, vectors, sequences and series. Students will also be introduced to the topic of limits.

Prerequisite: MAT 131

SCI 2472 PHYSICS 1 (part 2) (2 Cr)

This course is the second of a two-part series that covers the first semester of college physics as defined by Crown College (SCI 247 Physics I).

Students must take both parts to get credit for Physics I. This course is an introduction to the major concepts of physics. Major topics include gravitation, rotational motion, oscillatory motion, waves and properties of sound.

Prerequisite: SCI 2471

BUS 130 CONCEPTS OF PERSONAL FINANCE (3 Cr)

A practical study of what Scripture says about financial stewardship, tithing, giving, investing, and the use of debt. Students will develop personal budgets and financial goals. Discussion will also include the use of various types of credit and insurance.
