

ABOUT US

Crown College is a fully accredited college that offers boldly Christian and quality academics, and convenient in-person or online options.

PSEO OPTIONS

Crown is excited to offer Post-Secondary Enrollment Options (PSEO) to qualified Legacy students. PSEO is a Minnesota program that allows 11th and 12th-grade students to enroll in college courses that earn them credits simultaneously for both their high school diploma and college degree at no cost.

At Legacy Christian Academy, students take classes in a hybrid format in which Crown's online instructors partner with teachers from Legacy to provide an in-person educational experience. These courses have a low student-to-instructor ratio and high success rate.

SCHOLARSHIPS

Crown PSEO Scholarships are available to students who attend Crown PSEO and then enroll as full-time first-year students the following academic year. PSEO scholarship is \$1,000 per year, and students from Legacy are eligible to receive a Crown Christian High School Partner Grant of \$2,000 per year. Contact Admissions for more information.
