

ABOUT US

Crown College is a fully accredited college that offers boldly Christian and quality academics, and convenient in-person or online options.

PSEO OPTIONS

Crown is excited to offer Post-Secondary Enrollment Options (PSEO) to qualified Mankato Christian students. PSEO is a Minnesota program that allows 11th and 12th-grade students to enroll in free college courses that earn them credits simultaneously for both their high school diploma and college degree.

At MCA, students take classes in a hybrid format in which Crown's online instructors partner with teachers from MCA to provide an in-person educational experience. These courses have a low student-to-instructor ratio and high success rate.

SCHOLARSHIPS

Crown PSEO Scholarships are available to students who attend Crown PSEO and then enroll as full-time first-year students the following academic year. PSEO scholarship is \$1,000 per year, and students from Avail Academy are eligible to receive a Crown Christian High School Partner Grant of \$2,000 per year. Contact Admissions for more information.
