CROWN COLLEGE

EARLY COLLEGE PATHWAYS

At Crown College, we believe education is more than earning credits—it's about launching lives. Our Early College program equips high school students with a head start on their academic journey while grounding them in a Christ-centered worldview. With over **850 students** participating, this program has been transforming futures for more than 20 years.

Through Early College, you can complete high school requirements and simultaneously earn college credits that seamlessly transfer into Crown's on-campus degree programs. Whether your passion is **Nursing, Biology, Education, Psychology, Business**, or one of our many other majors, Crown's Pathways make it simple to connect your PSEO courses to a bachelor's degree.

WHY CHOOSE CROWN?

- **Boldly Christian** - Integrating faith into every aspect of learning.
- **Academically Excellent** - Rigorous programs designed for success.
- **Authentic Community** - Lifelong relationships that support your calling.

YOUR NEXT STEP

Explore the pathways in this viewbook to see how your Early College courses align with Crown's majors. Connect with your Early College Advisor for additional guidance. Then, take the leap—join a campus where your faith and future thrive together.
