

ABOUT US

Crown is a fully accredited college that offers quality academics, convenient online options, and a boldly Christian environment.

PSEO OPTIONS

Crown is excited to offer Post-Secondary Enrollment Options (PSEO) to qualified PATH students. PSEO is a Minnesota program that allows 11th and 12th-grade students to enroll in free college courses that earn them credits simultaneously for both their high school diploma and college degree.

Students take classes in a hybrid format in which Crown's online instructor partners with a Course Assistant from PATH. The courses have a low student to instructor ratio. All PSEO students are supported by a dedicated PSEO academic advisor.

SCHOLARSHIPS

A Crown PSEO Scholarship is available to students who attend Crown PSEO and then enroll as full-time first-year students the following academic year. The maximum amount of this scholarship is \$1000 per year if attending on campus.

A Crown Christian High School Partner Grant of \$2,000 per year is available to students who enroll as full-time first-year students and who attended a partner Christian High School institution or a homeschool/PSEO Crown partner.

The Crown PSEO Scholarship and the Christian High School Partner Grant are renewable and stackable. Students must maintain Satisfactory Academic Progress to renew their scholarship.

Students may also qualify for additional aid. Students must demonstrate financial need as determined by the FAFSA.

Students enrolling in an online degree program are eligible for a 25% off tuition discount.

APPLICATION INFO

- Students must have a minimum 3.0 high school GPA
- No standardized tests are required for admission
- The tuition and books are FREE for Minnesota students
- Application Deadlines:
 - August 10th
 - December 15th

To apply, students must complete and submit the following:

- An online Crown application
- A MN Dept. of Education form
- A high school transcript

COLLEGE**

Fall Semester 2026

Aug 26-Dec 18

BUS 130 Concepts of Personal Finance (3 Cr)

A practical study of what Scripture says about financial stewardship, tithing, giving, investing, and the use of debt. Students will develop personal budgets and financial goals. Discussion will also include the use of various types of credit and insurance.

ENG 1510 College Writing and Research (3 Cr)

This course emphasizes the fundamentals of effective writing in the context of the elements of rhetoric: writer, audience, and purpose. Students write narrative, informative, and persuasive compositions and a documented research paper.

PSY 130 General Psychology (3 Cr)

This course is designed to provide a broad overview of the field of psychology. Topics include research in psychology, the brain and nervous system, sensation and perception, memory, emotion, learning, psychological disorders and psychotherapy. This introductory course aims to help students think deliberately and skillfully about human behavior and mental processes.

SOC 1510 College Success Strategies (3 Cr)

This course is designed to provide information that is foundational to college academic success and personal, social, and spiritual growth. Topics are focused in four areas: college-level academic skills, life management skills, relationship issues, and personal spiritual development.

Spring Semester 2027 Jan 13-May 14

COM 1515 Intro to Public Communication (3 Cr)

This course provides the student with an introduction to the theory of the communication process. Topics include analyzing a target audience, organizing material, preparing an effective method of delivery, and developing informative and persuasive speeches. Each student will deliver speeches that are videotaped and evaluated.

ECO 2332 Intro to Microeconomics (3 Cr)

This course examines fundamental microeconomic principles concerning consumer and organizational behavior. Microeconomic analysis will be applied through a biblical and ethical lens to consumer markets, labor markets, financial markets and public policy.

ENG 1512 Intro to Literary Analysis (3 Cr)

Continued instruction and practice in writing and the writing process are the focal points of this course, with emphasis on critical analysis of literary genres.

HIS 2520 Topics in US History (3 Cr)

The course will examine political, social, economic, and international dimensions of the history of the United States. It aims to stimulate both an analytical and a moral understanding of critical issues from the nation's past.

MAT 130 Math Survey (3 Cr)

A mathematics course designed for the liberal arts or general education purposes, including quantitative literacy and mathematical competency. The course consists of problem solving and mathematical modeling. Topics include set theory, operations, percent and decimals, linear equations and their applications, slopes, parallel and perpendicular lines, systems of equations, counting techniques, probability and descriptive statistics.

PSY 236 Developmental Psychology (3 Cr)

Human psychological development from birth to death is studied. Consideration is given to psychological, emotional, cognitive, social, moral, and spiritual development and experiences. Prerequisite: PSY 130
