

CROWN WORSHIP COLLECTIVE

BOOKING INQUIRY | *Worship Experiences for Your Church, Camp, or Ministry*

Purpose

Crown Worship Collective aims to provide unifying worship experiences for chapels, youth groups, retreats, and special events that glorify God through proclamation of the Word, singing in praise and worship, and challenging students and attendees to boldly grow deeper in their relationship with God.

Experiences We Offer

Crown Worship Collective is available for a range of formats. Each experience is customized in partnership with your point of contact to fit your ministry's setting, length, and goals.

Experience	What to Expect
Youth Group Night	A full night led by our student leaders for your youth group: live worship, a game or mixer, a short message, and a closing time of prayer and reflection, giving your students a night led by peers just a little further down the road.
Chapel or Church Worship Service	A congregational worship set led by our band, tailored for a chapel, Sunday service, or midweek gathering.
Worship Night	An extended, worship-focused evening centered on sustained sung worship, well suited to a dedicated worship night setting.
Retreat or Camp Weekend	Live worship for each session of a multi-day retreat or camp, alongside your own speaker or program.
Special Events	Banquets, conferences, fundraisers, or other one-time gatherings that would benefit from live worship.

What We Bring

- **Live Worship Band:** A full band leading worship, with a planned set or service tailored to your event's format and goals. (5-12 people)
- **Equipment:** Any equipment your space doesn't already provide, instruments vary.
- **Production Support:** Additional team members to run production elements such as sound, lighting, or slides, if necessary.
- **Crown College Admissions Table:** When available, Admissions ambassadors set up a table before and after the event to share the work the Lord is doing at Crown College and to connect with anyone eager to hear more.

What We Ask of Your Ministry

- A space with room for a band setup (we can share a stage plot / input list ahead of time).
- Access to the event space for load-in at least 2 hours before the event starts.
- A point of contact from your ministry to coordinate details beforehand.
- A table space near the entrance or gathering area for our admissions ambassadors to promote Crown College to students attending the event.

Team Size & Logistics

Crown Worship Collective provides up to 15 students/staff total, including band members, speakers, and additional team members for games, prayer, and logistical support. Team size is adjusted to fit the scope of your event.
